Dear Tower Lease Customer:

Announcement Date: June 1, 2017
Effective Date: July 1, 2017
Notification Number: BILL.CTLL.05.24.17.F.15637.Tower_Lease_Assignment
Notification Category: Systems Notification
Target Audience: Tower Lease Customers
Subject: CenturyLink Tower Lease Assignment

Effective June 30, 2017, CenturyLink will complete the assignment of its tower leases to Vertical Bridge Towers II, LLC ("Vertical Bridge"). You should expect to receive a Welcome letter from Vertical Bridge to this effect.

CenturyLink would like to note a couple of important items regarding the assignment transition:

1. The noted assignment will only be for Tower Leases. Services outside of this service, currently on your invoices (ex. Floor Space), will continue to be billed by CenturyLink going forward on those existing accounts.
2. CenturyLink has always billed the lease rent in advance and will be invoicing a full month of charges on the June 2017 invoice(s) for the tower lease(s). CenturyLink will disconnect the leases from its system on June 30, 2017 where Vertical Bridge will pick up and begin billing on July 1, 2017 forward. You will receive a CenturyLink July 2017 invoice(s) with applicable fractional credits between June 30 and the July billing cycle.
3. CenturyLink will retain the invoice balances through June 30, 2017 and expects Tower customers to pay CenturyLink through the July invoice. Customers that have other services on the CenturyLink invoices outside of the Tower leases will continue to pay those invoices to CenturyLink as noted on those CenturyLink invoices.

If you have any questions or concerns regarding this notice please contact your CenturyLink Service Manager. CenturyLink appreciates your business and we look forward to our continued relationship.

Sincerely,

CenturyLink Communications, LLC.
